However we only agree to sell Products to you subject to their availability and accordingly the contract may be cancelled by us in writing without liability to you if Products cannot within a reasonable period be acquired by us for resale. - 1.5 The Customer acknowledges that certain Products purchased are subject to separate license agreements and agrees to be bound thereby.
- 1.6 The provisions of the Contracts (Rights of Third Parties) Act 1999 and all non-mandatory provisions of the Electronic Commerce (EC Directive) Regulations 2002 are expressly excluded from the Contract.

- 2.2 All drawings, illustrations, specifications, performance data, particulars of weight and dimensions and the like published by the Company in sales literature, on web pages or other documentation have been provided in the belief that they are accurate, however, they do not constitute a description of the Products, are not binding, shall not be taken to be representations made by the Company and are not warranted to be accurate.
- 2.3 The Supplier of any Goods to the Company is wholly responsible for the description and specification of such Goods. Product specifications may be changed by the manufacturer or Supplier of Goods to the Company at any time up to delivery and provided such change does not materially alter the functionality of the Products you may not cancel your order. - 3.2 The prices for Products will be that stated on our quotation or order acknowledgement. We may vary the prices quoted if between the date of quotation or order acknowledgement and delivery there is an increase in the cost of acquiring or supplying Products, including, without limitation, increases in the costs of carriage, packaging or insurance or arising from a change in exchange rate, a change in delivery dates, quantities or specifications for Products requested by you or delay caused by your instructions.
- 3.3 All quotations are generally valid for a period of 30 days from the date of quotation unless otherwise stated. Once 30 days has elapsed the Company may extend the period of validity or provide a new quotation.

- 4.3 Orders must be accompanied by sufficient information to enable the Company to proceed with the order forthwith.

5. Cancellation of Orders

You shall have no right to cancel an order without our prior written consent and then only on the condition that, without prejudice to any other rights we may have, you forfeit any deposit or part payment made for the Products and reimburse any losses we may suffer as a consequence of or in connection with the cancellation.

6. Rejection

- 7.2 We reserve the right to make partial shipments or to deliver in instalments. You agree to accept such deliveries and to pay for the corresponding partial amounts due including any shipment costs. Late or non-delivery of any partial shipment or instalment shall not relieve you of the obligation to pay for and accept deliveries of any remaining Goods or instalments.

8. Payment

- 8.1 Payment in full is due to the Company no later than thirty (30) days from the date of invoice or delivery of the Goods to you unless special credit terms have been agreed and confirmed by us in writing.
- 8.2 We accept payments via most major credit cards, such as Visa and MasterCard and via payment systems such as PayPal.
- 8.3 Where payment under the Contract is not made by the due date, without prejudice to any other rights and remedies, we may:

- 9.2 Until payment has been received in full by the Company, you must insure the Goods for their full replacement value against all risks between risk and title passing to you and must on demand produce evidence of such insurance to the Company. Until the full price for the Goods has been paid, you shall hold on trust for the Company the policy and proceeds of insurance to the extent of the unpaid amount.
- 9.3 If by reason of instructions or lack of instructions from you, despatch of the Goods is delayed for seven days after you have been notified that the Goods are ready for despatch, the risk in the Goods shall thereupon pass to you, you shall pay reasonable storage charges to the Company and the Goods shall be deemed to have been delivered to you for the purposes of clauses 8.1, 9.1 and 9.2.

10. Title

- 10.1 Title in the Goods shall remain with the Company until the Company has received payment in full of all amounts due for the Goods from the Customer including any interest (if any) for such Goods.
- 10.2 Until such receipt by the Company the Customer shall be deemed to be a bailee of the Goods. Under the terms of this bailment if payment of the total price for the Goods or any other sums owing from the Customer to the Company is not made by the due date, the Company shall have the right, with or without prior notice and at any time, to retake possession of the whole or any part of the Goods (that you will hand over to the Company on demand) and for that purpose to enter your premises without prejudice to any other remedy that the Company might have.
- 10.3 If you fail to pay for the Products in accordance with these Terms, the Company shall be entitled forthwith to suspend any further deliveries, under the Contract or otherwise and may instigate action against you for the full price of the Products and all related costs even though the title in the Products has not passed to you.

11. Warranty

- 11.1 The Company undertakes to pass on to you the benefit of the standard warranty conditions provided by the manufacturer or Supplier of Goods to the Company, where applicable, for the period stipulated by such manufacturer or Supplier.
- 11.2 If any Goods or Services provided by the Company are not satisfactory, the Company will at its discretion either remedy the cause of dissatisfaction in question, replace defective Goods, refund or partially refund the price of the Goods or Services or offer an alternative remedy. This remedy is the only remedy available to you for a breach of this warranty and is only available on condition that:
 - 11.2.1 you notify the Company in writing of any problem within 7 days from receipt of Goods or Services;
 - 11.2.2 defective Goods are returned to the Company within 7 days of the written notification referred to in condition 11.4.1;
 - 11.2.3 we are satisfied that after examining the alleged defective Goods that the defect has not been caused by your mis-use, neglect, accident, inadequate maintenance, improper storage, installation, handling, or repair or alteration by a third party; and
 - 11.2.4 in cases where you are found to be responsible for causing any defect for any reason you will refund to the Company the cost of any such examination, the Company's administrative expenses and at the Company's option and discretion a restocking fee of up to 25% of the price of the Goods or a percentage of the entire cost of the Goods or the entire cost of the Goods depending on the re-sale value that can be obtained by the Company for the sale of the returned Goods or the loss incurred by the Company for replacing the returned Goods.
- 11.3 With regard to any repair work provided by the Company, the Company reserves the right to use such parts and materials as it thinks fit and to substitute without notice to the Customer any parts, materials, components and units in place of those mentioned in any catalogue, brochure or quotation which is available to the Customer. Generally, all parts used will be provided by or recommended by the relevant manufacturer.

17. Force Majeure

Without prejudice to the generality of these Terms, the Company shall not be liable for any failure on its part to perform any of its obligations under the Contract where such failure is due to circumstances beyond the direct control of the Company. No express or implied waiver by the Company shall be construed as a continuing waiver nor shall it prevent the Company from acting upon that or any subsequent breach or from enforcing any right, term or condition of these Terms.

22. Severance
