About:

Julieta, a swashy type of love. Is a condensed and unicasé type.

Inspired in romanticism, turns out to be a very charming and versatile typography, because you can alternate uppercase and lowercase and also with alternate characters, ligatures, swashes and endings give you endless possibilities of composition, with 810 glyphs available. In the case of being necessary all these alternatives, is essential version also available consisting of 247 characters. It has a set of ornaments and connectors accompanying the source in their productions.

William SHAKESPEARE
