A mad boxer shot a quick, gloved jab to the jaw of his dizzy opponent. A popular belief is that fornication would be a quick fix for some overzealously judicious governments. A quick movement of the enemy will jeopardize six gunboats. A very bad quack might jinx zippy fowls. About sixty codfish eggs will make a quarter pound of very fizzy jelly. Alfredo just must bring very exciting news to the plaza quickly. All questions asked by five watch experts amazed the judge. An inspired calligrapher can create pages of beauty using stick ink, quill, brush, pick-axe, buzz saw, or even strawberry jam. Astronaut Quincy B. Zack defies gravity with six jet fuel pumps. Back in June we delivered oxygen equipment of the same size. Back in my quaint garden jaunty zinnias vie with flaunting phlox. Bawds jog, flick quartz, vex nymphs. Big July earthquakes confound zany experimental vow. Blowzy night-frumps vex'd Jack Q. Blowzy red vixens fight for a quick jump. Brawny gods just flocked up to quiz and vex him. Cozy sphinx waves quart jug of bad milk. Cozy lummoX gives smart squid who asks for job pen.
